

Homecoming Committees Work Hard Planning November 1 Festivities

Annual Teachers' Meeting Will Be Held October 9-10 at College

Two Thousand Will Hear Noted Guest Speakers During Two Days.

Is Thirtieth Convention

Several Departments Will Hold Dinner Meetings For Guests Attending Sessions.

Approximately two thousand teachers from Northwest Missouri will attend the thirtieth annual meeting of the Northwest Missouri Teachers Association to be held at the College October 9-10, according to Mr. Everett Brown, secretary of the Association.

Featured as guest speakers will be such noted personalities as Mr. Hubert Wheeler, Missouri State Commissioner of Education; Miss Dorothy Fuldheim, lecturer and commentator from Cleveland, Ohio; Mr. E. J. Allison, State Public School Supervisor of the Northwest Missouri district; Mr. Raymond Roberts, State Elementary Public School Supervisor of the Northwest Missouri district; Dr. C. A. Phillips, Department of Education at the University of Missouri; Mr. Ellis Arnall, former governor of Georgia, author and lecturer; Miss Mary B. Womack, president of the Missouri State Teachers Association; Miss Marie Ernst, president of the National Association of Classroom Teachers; Dr. Glenn E. Smith, director of Occupational Information and Guidance Services, Jefferson City; Dr. Francis English, member of department of History of the University of Missouri; Mr. Dwight Brantley, Special Agent in Charge, Federal Bureau of Investigation; and Dr. Henry Hill, president of the George Peck College, Nashville, Tennessee.

Activities will get under way Wednesday night as the Knights of the Klorio Stick will hold a dinner at eight o'clock. Mr. Homer T. Phillips, college faculty member is the dinner chairman.

Several departments will hold dinner meetings. The Commerce Department will hold their meeting in the Residence Hall dining room at 1:30 o'clock Thursday morning. Mr. Paul Phillips of Hopkins High School will preside at the meeting.

Members of the Social Science section will hold their dinner meeting Thursday evening at six o'clock at the American Legion Hall on East Fifth Street. Dr. John Harr will lead the discussion on "What Can the Schools and College Do to Prepare Pupils for More Effective Citizenship?"

Dr. Cozine Presides
Dr. June Cozine, head of the college Home Economics department, will preside at the dinner meeting at that department to be held in the Residence Hall dining room at 11:30 Friday morning.

A luncheon and social meeting will be held at the American Legion hall at twelve o'clock Friday for members of the Mathematics and science departments. Mrs. Iva Ward Hanley, vice chairman of the section, will preside.

Game Ends Convention
The end of the convention will be climaxed by a football game between the Rolla Miners and the Maryville Bearcats. The game will be played on the College field starting at eight o'clock.

Dr. John Harr Discusses United Nations Assembly

John Parham, president of the International Relations Club, opened the organization's first meeting of the school year by informing old and new members of the functions of the club. The primary objectives of the International Relations Club is to study international problems and promote international cooperation in world affairs. The club will meet two times each month with round table discussions and lectures by club members and outside lecturers.

Dr. John Harr is sponsor of the International Relations Club. He spoke to the club about the General Assembly meeting of the United Nations; his talk was followed by a round table discussion by the members.

It is interesting to note that twenty-two votes had blocked actions of the United Nations Assembly; the Russians blocked twenty and the French blocked two. A proposal was made to study the Assembly.

President Parham appointed John Penzler chairman of the picnic to be held at the next meeting. Also a program will be presented. Leo Drops will represent the I. R. C. of the Homecoming. All members will have charge of decorating for the dance.

GOV. ELLIS ARNALL

Mr. Ellis Arnall, former governor of Georgia, will give an address in the College auditorium tomorrow evening at 8:30 on the subject, "There Is Only One Freedom." Mr. Arnall rose to national prominence when he was elected over Eugene Talmadge as Democratic gubernatorial candidate in Georgia in 1942 and when he became involved in the governorship dispute in Georgia last spring.

Religious Emphasis Week Plans Made

Noted Speakers To Address Assemblies and Campus Organizations.

October 19 and 23 will be a week of enlightenment at Northwest Missouri State Teachers College. Sponsored by the University of Christian Missions, which is centrally located in New York City, several distinguished speakers will be on the campus.

Dr. W. Clark Ellzey of Stephens College, Columbia, has been appointed leader of the team from the University of Christian Missions. Dr. Ellzey came to the campus September 28 and met with representatives of the twelve committees that had charge of the preparations of the week of Religious Emphasis. He will return on October 10.

Dr. Frank Gray Brooks, Professor of Biology, Cornell College, has found it necessary to cancel his visit. It is expected that another man of equal ability will be appointed to take his place.

Mr. Hal Colvin of the National Student Council of Young Men's Christian Association of Chicago, Illinois, is another member of the team who will be here.

Word has just been received that Mrs. Cleo Espy, wife of Dr. Edwin Espy, the executive secretary of the National Young Men's Christian Association, will be a member of the team. Mrs. Espy has an A. B. from the Women's College of North Carolina and a B. A. degree and M. A. degree from Yale University. She has traveled throughout Europe and the Holy Land and has attended a Baptist World Alliance in Berlin. She has been a student secretary of Women's College, University of North Carolina; Director of Religious Activities and Assistant Professor of Religion in Meredith College, Raleigh, North Carolina. Mrs. Espy was a member of the Planning Committee of the Student Conference in 1943, on the World Mission of Churches, Richmond, Ohio. At present she is a participating member of the National Student Council National Board of the Young Women's Christian Association. Mrs. Espy is especially interested in religious education, psychology, Christian campus life, preparation for Christian family life, and of the Christian faith.

There is a possibility that Dr. Hampton Adams or Dr. William Alexander, both of whom are noted platform speakers and religious leaders, will be here.

The programs are in process of preparation, and will be ready for distribution at an early date. It is anticipated that there will be four general morning addresses and two or more seminars each afternoon. The representatives of the team are desirous of having an opportunity to meet with all campus organizations some evening during the week, preferably at their regular meeting time.

Faculty of the College are to have a dinner meeting, Monday evening, October 20, and will be addressed by some member of the visiting group.

Former Student Visits Campus

Gerald Murphy, a freshman at the College last year, was a visitor on the campus September 22. He is attending Junior College in St. Joseph this year.

College Is Donated Personal Library

Widow of the Late Hubert Garrett Makes Book Presentation.

Last July, Mrs. Willa Garrett, in charge of the Loan Service at the College Library, presented the personal library of her late husband, Hubert Garrett, to the College Library. Mr. Hubert Garrett, at the time of his death, was Professor of Social Sciences at the College.

This large contribution to the resources of the College numbers 246 books. The wide range of subjects represented by this collection is testimony to Mr. Garrett's catholic and discriminating taste in literature.

The larger portion cover the basic and classic works in world history and associated knowledge. Seven volumes deal with Missouri history. Among the outstanding works are the following: LIFE OF PATRICK HENRY by Wirt; LIFE OF LINCOLN by Ida M. Tarbell; THE TRAGIC ERA by Claude Bowers; NEW LIBERTIES FOR OLD, and AMERICAN FOREIGN POLICY by Latane. A small number are recent books such as: REMEMBRANCE OF THINGS PAST by Proust, LET THE PEOPLE KNOW by Norman Angell, and ADMIRAL OF THE OCEAN SEA by S. E. Morison.

Three items are rare books which have unusual value on the book market and which make a distinct addition to the Library's growing collection of rare books. One is a 1914 edition of the U. S. Army Field Service Regulations, which in those days was only a small, thin volume. Probably the most valuable of the gifts is an 1847 edition of AN AMERICAN HISTORY FOR PRIMARY GRADES, which is illustrated. One of its colored maps shows what is now the State of Kansas as being all Indian Territory, and Iowa stretches all the way to the Canadian border. The last is an 1866 edition of AN ELEMENTARY DRILL BOOK IN LATIN by Albert Harkness.

The gift, which constitutes a notable addition to the Library's resources, is hoped by the Library to be but the first of many such gifts given by the friends and staff members of the Northwest State Teachers College and all friends of libraries.

Christian Association Holds First Meeting

President Dortha Adams opened the first meeting of the Student Christian Association Monday evening, September 22, in the Bearcat Den. Get-acquainted games, worship service, and a short business meeting were on the evening's program.

Officers are, in addition to Miss Adams, Norma Snyder, vice president; Donna Martin, secretary; and Justyn Graham, treasurer. Sponsors are Dr. Irene Mueller, Dr. Harry G. Dildine, and Dr. Joseph A. Dreps.

Meetings will be held the second and fourth Mondays of each month, in the Bearcat Den at 7:30.

Miss Franken Tells of Japan

Miss Katherine Franken, of the Psychology department, recently spent nine months in Tokyo, Japan. She was sent by the War Department as a teacher in psychology.

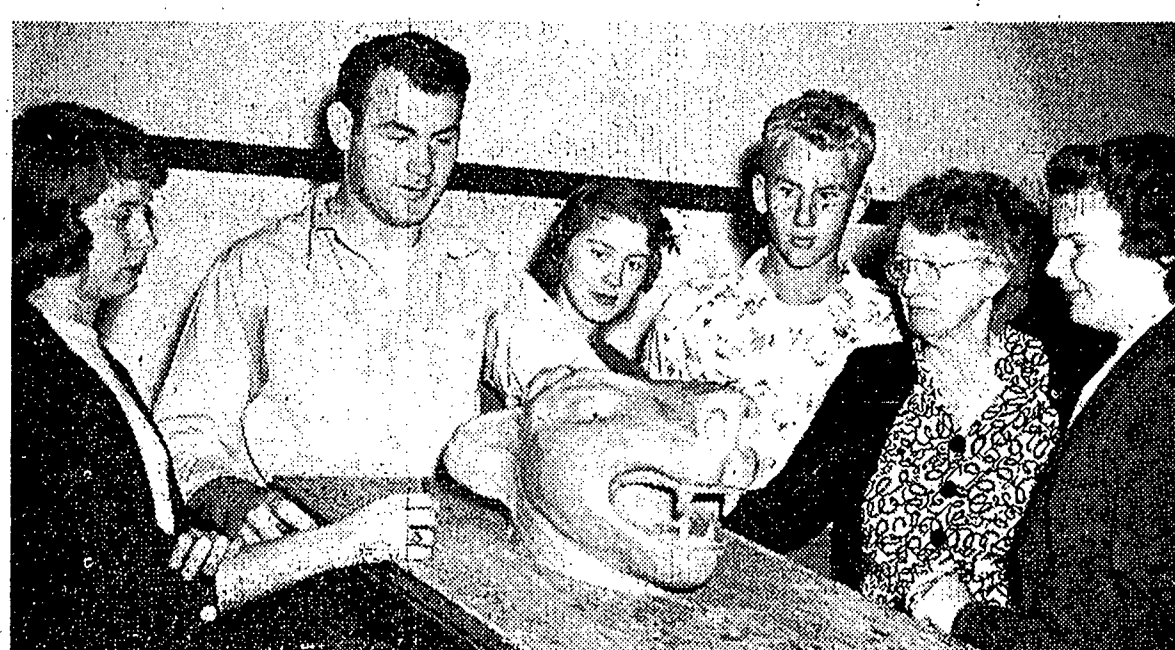

She left New York City, August 15, 1946, on the U. S. S. Acadia, a reconditioned hospital ship. Aboard were two hundred and eighty-eight other passengers who were all specialists in different fields of work. Many of them were from the biggest universities in the country.

When the Acadia landed October 1, Miss Franken was assigned to the Eighth Army, with headquarters in Yokohama.

She was housed in a seven story hotel building that was occupied by a thousand other people of the "army of occupation." Her room faced the Japanese palace grounds and from her window she could see the Emperor's palace and the Diet building. Japanese room girls cared for her room and laundry.

She was assigned to teach in the Army Education Program school in Tokyo. The students were service men who had volunteered to take the courses offered. All classes were held either in the afternoon or evening. Each class was limited to seventy-five students and the school had an enrollment of 2,700.

Now Is the Time for All Good Bearcats!

Miss Olive DeLuce is shown with a group of her art students with the head of a clay Bearcat being sculptured by the class for the Homecoming Committee, to be used by decorations. Shown in the picture are Shirley Voracek, Carl Kennedy, Maxine Robbins, Melvin Hubbell, Miss DeLuce, and Pauline Downing.

Faculty of Music Presents Assembly

College Audience Enjoys Special Numbers Five Instructors Choose.

Music lovers were given a treat September 24, at the College. All members of the faculty of the Conservatory of Music participated in producing the second assembly of the current school year. Piano, voice, clarinet, and violin selections met with the wholehearted approval of the audience.

The following program was given: Piano—Etude in D Flat—Un Sospiro—Liszt, Miss Judith Thom.

Voice—Just for Today—Seaver; Pilgrim Song—Tschakovsky; Jesus, Please Show Me The Way—Rodgers, Mr. Ralph E. Hartzell; Miss Janet Dickey, accompanist.

Clarinet—Concertino—Guilmant—Paquet; Mr. John Smay; Miss Thom, accompanist.

Violin—Sonata in G Major for Violin and Piano—Brahms, Vivace ma non troppo; LeCocou—C. Daquin; Miss Catherine Phelps; Miss Thom, accompanist.

Piano—Soiree de Vienne—Grunfeld; Miss Dickey.

A.C.E. Has Treasure Hunt On Campus September 22

Thirty-eight girls responded to an invitation to an A. C. E. treasure hunt on the evening of September 22.

The group first assembled in front of Residence Hall where they were divided into groups and given separate instructions.

After the corners of the campus had been thoroughly searched, the treasure was discovered in the Horace Mann Kindergarten. The treasure consisted of pennies pasted on blue and white circles of paper.

Refreshments of popcorn, cokes, and marshmallows were served by the social committee and Miss Millikan.

It's Going To Be Fun!

It's a "back to College" movement for all former students of Northwest Missouri State Teachers College at Maryville. Yes, students from the Class of '03 to '47, graduates or not, are coming back for the first real Homecoming in many years. The week end of November 1 has been chosen and a full week end it is going to be, too!

From the time the curtain rises on the Friday night variety show until the final chord from Warren Durrett's band at the big Homecoming dance Saturday night there will not be a dull moment. Sandwiched in are breakfasts, parades, luncheons, dinners, open houses, rallies, receptions, teas, not to mention the big football game, Maryville vs. Cape Girardeau—whatever your tastes would desire.

Maryville is throwing open its doors to you, the old grads and former students. Come, join in the fun!

Dr. Frank Grube Will Judge Essay Contest

Dr. Frank Grube, chairman of the Department of English, has been named as one of the judges in an essay contest for Missouri high school students. The essays will be written on the subject "Heroes of Medicine 1847-1947."

There will be a first award of a \$100 bond and an invitation to the banquet of the medical association in St. Louis. Second prize will be a \$50 bond, and there will be three additional awards of \$25 bonds.

Jay Roberts Visits the College

Jay Roberts, a former student of the College was a visitor last week. Jay is studying law at Kansas City University. From the time of the completion of his studies at the College until his entry into the university this fall he was employed as a purser for Braniff Airlines out of Dallas, Texas.

College Walkout Day Is Sounded

Annual Festivities Are Conducted Without Serious Mishap.

"Ever and anon the trumpet sounds," calling forth unfortunate freshmen in fulfillment of the creeds of Walkout Day.

Silvery trumpet notes sounded Monday, September 29, through the halls of the College, and some 300 bewildered frosh emerged from the administration building to parade downtown, or to make futile efforts to flee their antagonists.

Under the direction of the "M" Club, the large group paraded around the square, stopping for impromptu dances, and tontorial operations; then they returned to the College where due sacrifices were made to the gods of College Pond, and frosh males were "impressed" with the trials and tribulations of college life via the belt line.

The physical aspects of hazing over, the student body, frosh and upper classes alike, forgot their differences and enjoyed a picnic luncheon in College Park. In the afternoon a movie and stage show were presented at the Tivoli theatre, and a dance was held in the gymnasium from nine to twelve to round off the day.

Highlights of the hi-jinx were as follows: Bob Lowden giving some of the football speedsters a workout as he made a futile dash for freedom... James (Slim) Tanner, Jacksonville, Florida, buttoning atop the fountain at Fourth Street and College Drive... Ludene Pollard, freshman lovely, and Don Dressler, Chicago, Illinois, dancing in Dresler's own liminal style down Fourth street... Pat McIntyre, Sidney rodeo and Ak-sarben queen, and Frank Cruz, St. Joseph, giving on the courthouse steps, perhaps disturbing ghosts of staid politicians of yesteryear... Dressler losing wavy locks at the hands of some fellow frosh. A sudden turn of events when freshmen, perhaps instigated by upper classes, applied the shears to Ray Basford, sophomore, of Maryville. College Pond, always receiving its due of at least one freshman, claimed three frosh, Lowden, Null, and Dressler, and one sophomore victim, Watt. One freshman remarked as he rubbed warm sensations of his anatomy, "It was very impressive..." The evening of Sammy Carpenter at the afternoon stage show, and some of his bits of subtle wit... Miss Judith Thom and Miss Janet Dickey, before and after of a girl getting a degree Miss Thom as the naive, shy, sophomoreish girl who, at the most, was unmusical. Miss Dickey, the slinky, heavily rouged femme fatale, still more unmusically inclined! The Snyder brothers, Don and Robin, a very rhythmic tap dance combo, despite several years of non-practice... the music of Brad Moore, his orchestra, and Dean Steeby's voice, to dance to.

Dr. Cozine Invited to Conference
Dr. Cozine, head of the Home Economics department, was invited to serve as a consultant to the Clothing and Textiles division of the American Home Economics Association on their work in evaluation. The conference was held at the La Salle Hotel in Chicago, October 3-5. Mr. R. W. Tyler of the University of Chicago and Miss Beulah Coons of the United States Office of Education were the leaders of the meeting.

Student Visits Colorado

George Gooden returned recently from a short stay in Denver, while there George met a very close friend, Robert Ruckie, with whom he became acquainted while in service.

Week End of November 1 Will Be Gala Reunion on College Campus

College Theater Week Will Be November 10-14

November 10-14 has been designated as College Theater Week, and will feature two theatrical productions. "The Importance of Being Earnest," by Oscar Wilde, and "Tartuffe," by Moliere. These plays, starring William Browder, will be presented by the National Repertory Theater of New York. They are the first major theatrical performances to be given at the College since before the war.

"The Importance of Being Earnest," scheduled for November 10, was recently given a Broadway revival. It is a delightful comedy of English manners, rich in satire and expertly acted. The grandeur and elegance of 17th Century France is the setting for the amusing Moliere masterpiece "Tartuffe," to be given November 11. Both plays are brilliantly staged.

All seats are reserved for both performances. Any holder of an activity ticket may obtain reserved seats for both productions between October 29 and November 5. The remaining seats will be sold to the public after November 5.

Deadline Set for "Tower" Pictures by the Staff

October 6 through October 10 has been set aside for taking freshman photographs for the 1948 Tower. The week October 13 through October 17 will be devoted to photographing upperclassmen. Pictures will be taken daily Monday through Friday, with the exception of Thursday afternoons, October 9 and 16.

Students may make their own appointments by signing their names under the desired date on the bulletin board.

Pictures will be taken at the Amos Studio at a cost of \$2.04 each. Four poses will be taken and the student will choose the pose to go into the Tower.

Those students who had "Tower" pictures taken at the Amos Studio last year and who feel unable to have a new picture taken this year may arrange for a reprint of last year's negative if it is of acceptable quality. The cost of the reprint is \$.51 and it should, if possible, be ordered during the week of October 6 through October 10. No appointment is needed to order a reprint.

President Jones Has Letter from Graduate

An interesting letter was recently received by President Jones from a former graduate, Robert Flowers. The letter should be of special value to those interested in journalism.

Mr. Flowers graduated from the College in 1943 and although he did not obtain a degree in professional journalism, he has since been engaged in newspaper work, as an editor and news editor. Says Mr. Flowers, "I would not trade the background acquired at Maryville for a million dollars. Without it, my work would be much more difficult than it is."

Mr. Flowers wrote the letter as a congratulation to Dr. Jones on his now being the president of the College. However, in the letter he did offer some sound advice to those planning to enter the profession of journalism. He says, "Background—a thorough grounding in liberal arts—is much more important than any amount of technical know-how." He is now employed as news editor for the "Daily Current-Argus," Carlsbad, New Mexico.

Board of Regents Holds Meeting in St. Joseph

The Board of Regents met for routine business, September 29, at Hotel Robidoux in St. Joseph, Missouri. Members present were Mr. M. E. Ford, Maryville; Mr. A. B. Kammerer, Chillicothe; Mr. James Curry, Oregon; Mr. Alan F. Wheritt, Liberty; Mr. R. L. Douglas, St. Joseph; Mr. W. A. Rickenbrode, Maryville; and Dr. J. W. Jones, president of the College. H. V. Neece, business manager of the College, also attended the meeting.

Student Visits Colorado

George Gooden returned recently from a short stay in Denver, while there George met a very close friend, Robert Ruckie, with whom he became acquainted while in service.

Maryville Beckons Former Students to Return to Their Alma Mater.

Full Schedule Is Under Way

Highlights Include Football Game, Parades, Open Houses, Rallies and Dance.

Homecoming time draws nearer and nearer. With it the plans are beginning to materialize more and more. Committees are meeting as they were with the exception that instead of reporting on what they plan to do, they report what has been done, and much has been accomplished. Within the week banners will be appearing all over the campus, and perhaps in town, heralding the big event. Soon, every little village or city in this part of the country will be confronted with the fact that the College is calling students home. Posters will be seen in store windows; articles will appear in local papers; radio stations will notify their listening public; letters will be sent to alumni; yes, the good word will be getting around.

Plans are also progressing for providing entertainment for these former students after they get here. The Friday night Variety Show will consist of five parts. Skits are to be done by the Dramatics Club, ACE, Sigma Tau Gamma, Alpha Sigma Alpha, Sigma Sigma, Sigma, Phi Sigma Gamma, Delta Sigma Epsilon, and Alpha Phi Omega. The highlight of the evening program will be the crowning of the Homecoming Queen.

Parade To Be Colorful Event

The parade promises to be one of the most colorful events of the week end. Besides the floats of the various campus organizations, the parade will include high school bands which are going to march and play. Prizes are to be offered for the best bands, and also for the best floats, according to the judges' decision. The parade will move along Main Street, past gaily decorated stores whose windows will carry out the Homecoming scheme. Fourth Street will also be decorated. The Varsity Villagers are going to decorate their houses.

With three wins already this season, the football game promises to bring a large turnout. Stunts will be performed between halves by the Barkate and the Green and White Peppers. Music will be furnished by the College band and the other bands that participate in the parade.

Formal Dance Will Be Highlight

Of course, the big event of the Homecoming night will be the formal dance in the College gymnasium. Mr. Albert Pike, one of the alumni, will act as master of ceremonies; Warren Durrett and his band will furnish the music and the Dance Club will perform at intermission. Besides these major events; there will be the breakfasts, luncheons, dinners, open houses, receptions and just general get-togethers of old friends.

The wave of enthusiasm is mounting here at the College. Cooperation is one hundred per cent, which guarantees all concerned that this Homecoming will be a tremendous success.

Book Exhibit Committee Makes Announcement

In conjunction with exhibits for Religious Emphasis Week the committee in charge has made the following announcement.

"We need help with exhibits for Religious Emphasis Week. Do you have a Bible that is old, has a rare binding, is written in a foreign language—or modern version other than King James? Do you have an Old Testament written in Hebrew, or a Prayer Book? If you do not have these books, you may have another object with a religious significance such as a framed picture of a cathedral, gargoyle, miniature cross.

"If you can add to the exhibit please see one of the Book Exhibit Committee members. She will see that everything is returned just as you give it. All materials are needed by Friday, October 10."

Committee members are Janice Bentall, Jean Bush, Virginia Snowberger, and Peggy Turner.

A. C. E. Member Attends Meet
Miss Rachel Robinson spent Saturday, September 20, in St. Louis. She was the Maryville representative to the National Planning Committee of the Association of Childhood Education making plans for the National Convention of A. C. E. to be held in St. Louis, April 19 to 23, 1948. She submitted the plans of the local branch concerning students' participation in the convention.

NORTHWEST MISSOURIAN

Published twice a month at the State Teachers College, Maryville, Mo., September through May.

Entered as second class matter, November 9, 1914 at the Post Office at Maryville, Mo., under the act of March 3, 1879.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will respect and obey the College laws and do our best to make a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

ACT! BACK YOUR TEAM!

Our Bearcats of the gridiron opened their season on Friday night, September 19, 1947. They started off with a win over Ottawa, Kansas. Every evidence was given to allow predictions for a successful season in the line of football.

Before that first game, the cheerleaders sponsored a pep rally. This rally was an effort to work up enough steam among the rooters so that they might be heard out on the playing field. This may have been accomplished among those who attended the rally. However, there's the catch in it; how many actually did turn out?

Well, figures that are complete are not available yet, but a very conservative guesser might say that there are eight hundred students enrolled this fall. One hundred of this number are out for football and that leaves seven hundred students that should have been available for a pep rally. Where were the other six hundred seventy of you?

I realize, of course, that various excuses given were logical and absence was necessary. It does seem, however, that more than thirty or forty people could turn out, full force, for the purpose of backing our football team.

Then, whether you go to the rallies or not—do go to the games. Too many people have started off the business of going home over the week ends again this year. Those of you who must go home can wait until Saturday morning or plan your trips so that they fall on weekends when the 'Cats are playing away from home.

Now, I've got you out to the ball game. While you're there what are you going to do? Are you going to sit there with your tongue in your mouth and watch—just watch and nothing else? Let me suggest that you learn the yells, new or old, that the cheerleaders and some of the spectators tried to give at the last game. Help put some volume into that "we're behind you" that floats out over the heads of those hard working men out there.

Perhaps you'll say, "Well I have been yelling!" All right, so you've been yelling. What did you yell, "Kill the referee, throw the dirty bum out, or hey you, sit down!"

Let's get into the habit of yelling with the cheerleaders and pep squads and let's really raise some "whoopie." I think we'll enjoy it and find a great deal of fun connected with it once we get started. So, let's have some fun and let's let those fighting men out there know that we, the students of the Northwest Missouri State Teachers College, are behind them all the way.

We have a good team; let's give them our staunch support and be good backers.

CONGRATULATIONS!

In the next to last issue of the paper during the Spring Quarter of 1946, an article was run in which student and faculty opinion was presented as to the general needs of the campus. Among the suggestions made was the one that the tennis courts were in dire need of repair.

Since that time, those same courts have undergone a terrific change. The south courts have become smooth and solid with a floor of concrete and the north ones have been repaired to a degree near perfection. Not only that, but when old Jack Frost shows up to stay, the south one with the concrete floor is going to be converted into an ice skating rink. The general opinion now is that one improvement has been made that is certainly appreciated. Congratulations to the Administration and anyone else who is directly or indirectly responsible for this important change for the better.

Program for 30th Annual Convention

Northwest Missouri Teachers Association

FIRST GENERAL SESSION Thursday Morning, October 9, 1947 College Auditorium Mr. Wilber Williams, President, Presiding 9:00 National Anthem led by Mr. Ralph Hartzell, Director, Department of Music, Northwest Missouri State Teachers College 9:05 Invocation, The Reverend Andrew Kunkel, Pastor, St. Benedict's Church, Clyde 9:10 Address of Welcome, Dr. J. November 2, Sunday	Tri Sigma Open House.
November 3, Monday	S. C. A.—4:30-8:30, Room 103.
November 4, Tuesday	

Student Notes

The meeting was called to order by the president. Roll was called and the minutes of the previous meeting were read. An insertion was made in paragraph 4, request number 1, to read:

"The Homecoming Committee was granted permission to sell souvenir address books in the halls before and at the Homecoming celebration, Nov. 1."

All cases of misconduct at the football games should be reported to Mr. Davis.

Motion carried that the Senate accept the resignation of Fred Davis from the Social Committee and Jack Russell be elected to take his place.

The committee for selection of cheerleaders reported that Mary Lou Rockwell was elected captain, and the recommendation for new uniforms was approved. The committee also recommended some means of recognition for the cheerleaders at the end of the school year. The recommendation was tabled until a later time.

The committee on recommendations for improving the Den was given permission to look for a magazine rack and to investigate repair and cleaning of the cushions.

The Homecoming Committee has placed the Senate in charge of the float for the Queen. Senators Elam, Appleman, Nally, and Davis were appointed as the committee.

The following requests were presented:

Motion passed that permission be granted the organization of a Foreign Students' Club on this campus. Permission was granted Alpha Phi Omega to sell student directories.

Use of the Den was granted:

Student Christian Association—2nd and 4th Monday nights.

Newman Club—1st and 3rd Monday nights.

Alpha Psi Omega—Every Thursday night beginning on September 25.

Recommendations for the Den from Dorothy June Masters, hostess, were read. The purchase of ping-pong balls, playing cards, 6 records, (Continued on Page Four)

The Stroller

Dr. Harr must have used up all the old excuses for losing to the Surrey-Taylor team. In their last match, seeing that all was lost, Dr. Harr served a ball squarely into the back of his own partner, Dr. Grube, thereby disabling him from further play. Well, that's one way to end a match.

Village cut-ups from New Jersey, Frank Merenghi and Erv Silver, still haven't decided who has the larger beak. Both Hurst suggested, "Why don't you guys count off the Nose Number 1 and the Nose Number 2." That was fine, but now they're trying to decide who is going to be Nose Number 1.

There is the story about one group of students who went fishing last week end. After making the river look like a gigantic spider web with trout lines and keeping a vigil into the hours, the proud fishermen (and women) presented the "catch" to Mr. and Mrs. Andy Anderson for their dinner. We're thankful our company didn't drop in when they feasted on the one fish.

Missed . . . The freshmen who watched from atop a third story building while the classmates in the streets got their tresses clipped.

Margaret Curry . . . Best image of the "keep smiling" sign on the cash register at the bookstore.

Don Dressler . . . Who was done more good than harm when he was thrown in the lake; as he emerged with his T-shirt soaked tightly about him, the girls aaaaah, "What a wonderful physique."

Ralph Cushman . . . Chairman of the official welcome committee at the east door. Smile, girls, and he will open the door for you. Next week he gets a long coat with brass buttons.

Katie Espey . . . Sweetness perfect blended with pulchritude to make her the "U. Hul" girl of the week.

Larry Zirbel . . . Who is always taken until he gets into a football game we make sure he doesn't have hold of the referee arm the next time he jaws with his opponent.

John Taylor . . . Who requested that I might be chairman of the Homecoming Queen committee.

John Wohlford . . . Full declension the verb "to howl" with the latest on the heels. "Let 'em wear 'em long. They can't run as fast."

Rex (Dad) Moyer . . . The guy who took the position as first trombone man with Russ Carlyle's band to enter the College.

Hey, Rube! . . . The rogues who he their jalopies around on the campus grass and blast air horns about the dormitory all hours of the night.

George Watson . . . Instead of going the circus just save your money and gath around him for his droll animation.

Existentialists . . . Young men in a glorified bull session at Mac's forgatherly on the stem. They assemble nightly after library hours to argue in seemingly intelligent pattern about existentialism (new philosophical rage, France). Ironically, there isn't a pair of sunglasses in the whole group.

Sobriquets . . . Most members of the football club have acquired new nicknames. However, don't ask your favorite player who his is unless he is an especially good, good chum of yours.

Honeydripper . . . That tall boy from Minnesota with the rebop hair-do and Mr. Factor make-up.

Don Snyder . . . Has the fastest growing and most fan club of any member of the football squad. At the next game the member will pass out Snyder buttons.

Word has it, reliable word that is, that Gene Ceglenski has become the idol of the bookstore management. A few days ago, our hero became a victim of his own forgetfulness and served behind the bar a full hour before he realized that he had arrived for work an hour early.

Master mathematicians seem to flock together. When trying to decide on the number of people necessary to constitute a quorum, the Senate at a recent meeting, the problem seemed to be one too difficult to settle. President Dick Thomas stated that nine people were necessary. Mary Garrett parliamentary, read from the handbook that it took two-thirds of the total membership. As the absorbed senators chewed their nails in deep concentration, Mr. R. Wright, sponsor, finally had to tell the slow thinking ones that two-thirds of twelve is eight.

The Stroller would like to take this opportunity to pat the student body on the back. The turnout at the school dances this year is amazing. If any "old grads" from the past few years should happen to drop in on one of those dances he would probably drop from the shock of it all. Keep up the good work, students, we're headed for a swell year.

People have been questioning me lately as to just exactly how old I am. Well, you know the Northwest Missourian was preceded by the Green and White Courier. I made my first appearance with this College in that paper on January 9, 1918. I replaced the column called the "Office Cat," and have only once since been challenged for my position. Along in the thirties, The Snooper, a second cousin of mine, tried to replace me—but, by popular demand of the students, I was called back to service and have been here ever since.

{ Social Activities }

Southern Charm Is Sigma's Rush Theme

Formal Rush Party for Twenty-four Is Held at Club.

Rushes of the Sigma Sigma Sorority were entertained October 2, at a party which was based on a theme of "Southern Charm." The party was held at the Elks Club which was decorated in pink and blue, and in complimentary pastel colors. A false ceiling of pink and blue streamers radiated from the center of the room to the walls. Lattices and picket fences trimmed in pink and blue streamers lined the walls which carried out the effect of a southern garden. A picket archway framed the doorway to the ballroom and was decorated with pastel flowers. Card tables with candle centerpieces were placed around the room. The bandstand for the Tri Sigma Swing Band was framed with candelabra and the stairs were decorated with pink and white woven baskets and flowers. As each guest arrived she was given a miniature old fashioned nosegay.

The program included popular music by the dance band including Mary Lou Rockwell, Margaret Curry, Thelma Orey, Juanita Ford, Dorothy Harshaw, Joan Miller, Helen Sutton, and Margaret Wade; a trio made up of Betty Jean Martin, Jean Bush, and Phyllis Combs sang a varied version of "That's My Desire"; piano medley by Betty Lou Russell, a song and tap dance routine, "Mammy," by Juanita Ford and Joan Miller; violin solo by Ruth McDowell; and a reading by Naomi White. At the close of the program the members of the sorority were introduced to the rushes. A candlelight wishing ceremony followed.

Refreshments were served in two courses. The first, consisting of spiced tomato juice and ritz wafers, was served at the chapter house on West Fourth during a tour of the chapter rooms preceding the program at the Elks Club. The second course was served at the Elks Club from a table decorated with candles and purple and white asters. Open-faced sandwiches, Sigma decorated cakes, and coke floats were served.

The list of rushes included Marjorie Andrews, Mound City; Joyce Wehrli, Mound City; Joan Peters, King City; Wilhelmina Edie, St. Louis; Betty Williams, Albany; Ann Miller, Clarinda, Iowa; Peggy Ford, Lenox, Iowa; Mary Lee White, Bethany; Joann Caldwell, St. Joseph; Patty McIntyre, Farragut, Iowa; Dorothy Lentz, Oregon; Margaret Berry, Shenandoah, Iowa; Julia Polton, Tabor, Iowa; Margaret Bowness, Fairfax; Beverly Allen, Smithville; Janet Andler, Forest City; Lois Easton, Bethany; Maxine McDermott, Bridgewater, Iowa; Wanda Prussawater, Fillmore; Lavonia Prescott, Burlington Junction; Ruth Jean Burns, Barnard; Shirley Corack, St. Louis; Dorothy Harshaw, Greenfield, Iowa; and Wanda Ashford, Quitman.

Invited guests were Mrs. M. C. Cunningham, Mrs. J. Norvel Sawyer, Mrs. Forrest Gilliam, Mrs. Robert P. Foster, Miss Nell Hudson, Mrs. Harvey Shetz, Miss June Cozine, and Mrs. Virginia Hammond. Committee chairmen were Phyllis Combs, rush chairman; food, Mary Loyce Rockwell; program, Helen Sutton; invitations, Rachael Robinson; decorations, Virginia Williams; and favors, Margaret Wade.

Faculty Dames Will Meet
Members of the Faculty Dames organization will hold their first meeting of the new year at the home of Mrs. J. W. Jones at 2:30 p. m. Thursday. Assisting hostesses will be Mrs. Hake, Mrs. Strong, Mrs. Rickenbrode, and Mrs. Neece. New faculty wives will be special guests.

College Weddings

Clayton-Wheeler
Miss Doris Virginia Clayton, daughter of Mr. and Mrs. James L. Clayton of Escondido, California, and James Leroy Wheeler, son of Ira P. Wheeler of Tulsa, Oklahoma, were married August 16, in the First Methodist church of Escondido, the Rev. Clell C. Gray officiating.

Mrs. Wheeler, a graduate of Pickering high school and the College, and a member of the Pi Omega Pi national honorary commercial fraternity, is now teaching in Escondido.

Butler-Place
Miss Marilyn Butler, daughter of Mrs. J. S. Cobb of Chillicothe, and Robert E. Place, son of Mr. and Mrs. Charles A. Place of Albany, were united in marriage September 3, at the Albany Christian church. The ceremony was performed by the Rev. George W. Manning.

The bride, who, before her marriage, was employed in Des Moines, is a graduate of Albany high school, the Chillicothe Business College, and was a student at the College.

Taul-Schultz
Miss Mary Lloyd Taul, daughter of Mr. and Mrs. Lloyd Taul of Smithville, and Earl Schultz, son of Mr. and Mrs. Harry C. Schultz of Elizabethtown, Tennessee, were married September 8, in the Smithville Christian church in a double ring ceremony.

The bride, who has been teaching physical education in Chillicothe, is a graduate of the College, was Tower Queen in 1944, and is a member of the Sigma Sigma Sigma sorority.

Steinhaus-Martin
September 19, Miss Mary Margaret Steinhaus, daughter of Mr. and Mrs. A. J. Steinhaus of Parnell, was married to Wilmer D. Martin, son of Mr. and Mrs. George E. Martin of Guilford, in a double ring ceremony performed by the Rev. Fr. Bonaventure at St. Joseph's rectory in Parnell.

The bride, who previously taught school in Guilford, is a member of the College. The groom is a member of the Sigma Tau fraternity. They are now residing in the College Heights Apartments.

Brink-Rice
Miss Gladys Brink, daughter of John Payton of Loveland, Colorado, and Dennis C. Rice, son of Mr. and Mrs. Champ Rice of Pickering, were married September 20, at the home of the Rev. L. B. Day who performed the double ring ceremony.

Mr. Rice is employed as secretary to Lon Wilson, dean of men, at the College. Mr. Rice is a graduate of Pickering high school and is now attending the College.

Bliese-Perkins
September 21, Miss Amelia Bliese and Donald Dean Perkins were united in marriage in the Bedford, Iowa, Methodist church in a ceremony read by the Rev. Russell G. Nye. The bride is the daughter of Mr. and Mrs. Paul Bliese, and the groom is the son of Mr. and Mrs. Jasper Perkins. The groom is a graduate of the Bedford high school and had attended the College.

Zea Grissinger Elected President of Dramatics

Zea Grissinger was elected president of the Dramatics club at a weekly meeting of that organization held September 24 at 4:00.

Other officers elected were: Vernon Tompkins, vice president; Ruth McDowell, treasurer; and Margaret Fisher, secretary.

The club also accepted a draft of the new constitution which was presented by the constitutional committee.

Tryouts for the three act play, "Play Boy of The Western World" written by John M. Synge and several one act plays are well under way.

"Play Boy of The Western World" is a very lively melodrama with its setting in Ireland.

Delta Sigs Have Chinatown Theme

Delicious Chinese Food Was Served to Eleven Prospective Pledges.

With Chinatown as the theme, the Delta Sigma Epsilon sorority entertained eleven rushes, Wednesday evening, October 1. The Misses Lois Walker, Katherine Baymann, Alta Stonner, Janice Rhodes, Margie Ann Ketchum, Janice Lash, Norma Rose Blodgett, Shirley Judy, Betty Hudson, Rose Marie Howell, and Helen Hartell were taken on a progressive dinner.

Miss Phyllis Lash was hostess in the "Willow home" during the first course which consisted of tomato juice and hors d'oeuvres. Chinese couple hats were presented to the guests.

The patroness, Mrs. Surrey, and the mascot, Paula Surrey, entertained at the next course with chow mein and tea. Paula was presented a cap with Delta Sig letters on it. Delta name bingo was played.

Shoes were removed before the guests entered the home of Mrs. R. T. Wright, the other patroness. Each person was given a pair of green and cream huraches made of paper. Fortunes were found in the dessert. Two short skits were presented by members of the sorority. Songs were sung, including several Delta Sig songs. Each person present, including Mrs. Ramona Canton and Miss Marilyn Fullerton—sponsors, Mrs. R. T. Wright, Mrs. Sterling Surrey, members, and guests, was presented Chinese lanterns.

Elementary Club Holds Tea at Horace Mann

The Elementary Club held an informal tea, Tuesday, September 23, at 4 o'clock in the Horace Mann grade school building.

A short business meeting was held, and the following officers were elected: Mildred McMahon, president; Jean Polsey, vice president; Hazel Oliver, secretary; Dorothy Wilhoit, treasurer; and Dorothy Cook, reporter.

Jean Polsey, Naomi Smith, and Ethel Benson were appointed members of the social committee. Members of the program committee are Joyce Johnson, Jean Polsey, and Mary Ellen Clymens. Guests at the tea included Horace Mann elementary teachers; Miss Mary Keith, sponsor of the group; and Mr. Clifford Bishop, chairman of the Education department.

Who Will She Be?

Who is going to be the Homecoming queen this year? That is a question uppermost in many minds on the campus. Do you have any suggestions? If so, let the football boys know about them, as they are the official nominating committee. That's right—the Bearcats nominate the five candidates and it will be the privilege of the students of the College to select their choice from the list.

This is not going to be an entirely feminine campaign, either. Each girl will choose a campaign manager so, fellows, if you aspire to be a second Harry Conover, make yourselves available.

The students will elect the queen the week before Homecoming and she will be crowned at the Variety Show, Friday night, October 31. She will have a special float in the parade and will represent over all the Homecoming festivities.

Who will she be???

Sigma Tau Gamma Holds Fall Smoker at 'R' Club

Sigma Tau Gamma held its fall smoker at the "R" Club, Wednesday evening, October 1, after the smoker had been postponed because of Walkout Day. Seventy prospective pledges were entertained by games and with refreshments being served during the latter part of the evening.

Inactive during the summer term, Theta chapter of Sigma Tau Gamma opened the fall quarter with thirty-eight active members returning to form the nucleus for the organization.

Active members are Rex Adams, Byron (Bud) Baker, Art Bahr, Calvin Boyd, William Bouness, Robert Cobb, Bill Coulter, Max Dawson, Marvin Doran, Dewey Drennen, Dan Emerson, George (Bud) Gordon, Charles Greene, Don Hartness, William Huggins, Harold (Swede) Johnson, William King, Bob Mann, Wilmer Martin, Paul Moyer, W. R. Moody, Raymond Nally, Bob Olson, Gene Pemberton, Joe Roach, Charles Rupp, Jim Smith, Dale Standage, William Scheweihut, Dean Steeby, Art Snodgrass, Bob Seckington, J. Tolbert, M. R. Wharton, Bill Ward, Roger, and Hollis Voas.

The chapter plans to have an active year, and changes in the newly ratified constitution insure attendance at most of the meetings.

Association Secretary

MR. EVERETT W. BROWN

Mr. Everett Brown, director of field service for the College, is the secretary for the Northwest Missouri Teachers Association. Mr. Brown advises that visiting teachers bring a ham sandwich with them because the large number attending the teachers meeting is bound to cause crowded conditions around the eating counters.

More Students Fed In Cafeterias Now

Residence Hall Cafeteria Receives New Dishes Ordered Long Ago.

More students are eating at the Quad this year than last, but the situation is being handled with considerable ease. The reason for this is the increase in the number of students helping, says Miss Eureka Mullins, manager of the food units. According to Miss Mullins, the students are very efficient and willing to work hard. At the Quad an average of 225 students are being fed at each meal, and at Residence Hall an average of 140 are being fed.

A double line was started for the noon meal at the Quad Friday which helps the men to be fed in much less time.

The largest crowd is fed at the noon meal because a number of students, not living at the Quad eat lunch in the cafeteria.

It is planned to have the cafeteria in Residence Hall redecorated, including new draperies and new chairs. Miss Mullins has just received an order of new dishes, ordered nearly three years ago. They are of the same pattern now in use.

Miss Mullins and her staff are often called upon to supply the food for different social meetings of groups on the campus. Food for Walkout Day was furnished by them as was the food used by the Alpha Sigma Alpha sorority for their rush party Tuesday night, September 30.

In addition to the five regular employees at the Quad, Miss Mullins states that she could use at least one more person.

Tri-Sigma Initiation Given for New Members

The Alpha Epsilon chapter of the Sigma Sigma Sorority held a formal initiation September 21, at the home of Mary Garrett, 710 North Walnut. The following were initiated: Helen Fisher, St. Joseph; Beth Hurst, Betty McDonald, and Virginia Wilmes, Maryville; Madge Miller, Hatfield; Mary Lois Rockwell, Skidmore; Mary Lou Rockwell, Mound City; Betty Russell, Stanberry; and Alice White, Cameron.

Following the initiation the sorority attended the morning services at the First Christian Church.

Officers of the sorority are Mary Garrett, president; Jean Bush, vice president; Helen Sutton, recording secretary; Jean Polsey, corresponding secretary; Roberta Robertson, treasurer; and Mary Clark, keeper of the grades.

Buchanan County Club Has Picnic in Park

Students from Buchanan County held a picnic in College Park September 23 at 6:00 P. M. Each member of the club brought a guest.

Games were played; story telling and singing around the camp fire provided additional entertainment.

Those who comprised the committees were as follows: Entertainment, Brad Moore, Helen Sutton, and Gene Ceglenski; food committee, Phyllis Butts, Helen Fisher, Virginia Utz, and Roberta Robertson. The Buchanan County Club advisers are Miss Olive S. DeLuce, Mr. Ryland Milner, and Miss Jessie Juttin.

Joe Roach Files to Florida
Joe Roach, a student at the College and a member of the Maryville Flying Club, left Saturday morning, September 27, for Miami, Florida, flying the Luscombe airplane that belongs to the club. A passenger with him was Johnnie Stundon, a student at the College during the summer session. Mr. Stundon entered the University of Miami where he is majoring in dramatics. Mr. Roach returned to Maryville the following Wednesday evening.

A disastrous blight in 1943 wiped out Nicaragua's banana production.

Annual Rush Party Held by Alpha Sigs

Prospective Pledges Are Guests at Country Club Frolic.

Alpha Sigma Alpha sorority held its annual rush party at the Country Club Tuesday evening, September 30.

The Dude Ranch theme was prominent throughout the evening. Indian blankets and rugs covered the windows and were thrown over logs and benches drawn in a circle around a roaring fire. Kerosene lanterns hanging from the ceiling furnished soft lights. Brides, Mexican sombreros and pottery, and saddles served as atmospheric background.

The rushes were transported to the Country Club on a hay rack. Upon arrival, square dancing sets were formed and the dances were called by Sue Philip.

Barbecued ribs, baked beans, potato chips, relish, doughnuts and coffee were served to the guests in tin plates and cups initiated with red letters ASA.

Miss Jessie Juttin, who was introduced as the niece of William Cody, gave the history of "Dynamite," the wooden hobby horse formerly owned by Buffalo Bill.

The rushes were introduced to the group by the mistress of ceremonies, Doris Jean Hamilton. As the names were called, each rusher was presented with a neckerchief and slide.

A western melodrama was presented by the actives with a comedy quartet furnishing background music, "The Doors Swing In, The Doors Swing Out."

The girls gathered around the fire to sing sorority songs including a new song composed by Virginia Akers. Mrs. Albert Kuchs gave the history of Alpha Sigma Alpha and the sorority sponsor, Mrs. J. W. Mauley, told about the local chapter.

Rushes present were Pat McIntyre, Farragut, Iowa; Julia Polton, Tabor, Iowa; Dorothy Mae Lentz, Oregon, Missouri; Alice Ruth Wharton, Stanberry; Joan Peters, King City; Jo Horton, Des Moines, Iowa; Betty Jo Dearmont, Maryville; June Ann DeWitt, Gilman City; Pat Smith, Maryville; Katie Espey, Maryville; Mary Lee White, Bethany; Ruth Jean Burns, Barnard; Vernelle Cox, Graham; Pauline Cramer, Pasadena, Texas; Wilhelmina Edie, St. Louis; Shirley Voracek, St. Louis; Maxine McDermott, Bridge-water, Iowa; Betty Williams, Albany; Irene Tolland, Mt. Airy, Iowa; Beverly Edelman, St. Joseph; Charlene Harmann, Maryville; Darlene Winslow, Hamilton; and Rosemary Feurt, Jameson.

Sue Philip, as chairman of the Rush party, appointed the following committee chairmen: Food, Dorothy June Masters; program, Doris Jean Hamilton; decoration, Helen Marie Davis; favors, Beverly Johnson; and transportation, Dorothy Anderson.

Patronesses present were Mrs. Clun Price and Mrs. J. W. Jones. Mrs. William Agler represented the alumni chapter of the sorority.

Mr. Amos took photographs of the group throughout the evening.

Pi Omega Pi Has First Meeting of School Year

The first meeting of Pi Omega Pi, National Commerce Fraternity, was held September 23 at the home of Mr. Sterling Surrey. Jeanne Taylor was elected to fill the position of secretary-treasurer for the current year. Ruth Wyatt was elected historian and Doris Gillespie was elected reporter.

After the business meeting refreshments were served to Virginia Ann George, Doris Gillespie, Jeanne Taylor, Iris Wehrli, Ruth Wyatt, Wendell Wilson, Richard Wood, Sponsors Miss Helen Johnson and Mr. H. V. Neece.

Home Economics Director Explains New Program

Miss Alta Motter, director of Home Economics Education in Missouri, and a member of the state Department of Education, visited Dr. Cozine's department Tuesday, September 30. She is visiting all the colleges and universities which train Home Economics teachers, to explain the new five year program and to see in what ways each may be improved, the state program as well as the college.

Miss Motter was interested in visiting the laboratory in the Horace Mann high school in order to see the vocational Home Economics program in progress there. The improvements in the department and changes in the curriculum, also in progress, were in harmony with the new plan.

Independent Club Holds Party in Bearcat Den

The Independent Club held a party Wednesday night, October 1, in the Bearcat Den. A short business meeting was called to order by vice president, Bill Elam. After the cares of the day were put aside, group singing was led by Miss Dickey. Games, dancing, cards, and table tennis, furnished entertainment for the remainder of the evening.

Refreshments of hot dogs and coffee were served.

The club is under the sponsorship of Miss Janet Dickey and Miss Judith Thom.

Committees for the party were as follows: general chairman, Bill Elam; refreshments, Irma Lee Hull; games, Dorina Martin; and publicity, Dick Palmer.

Plans are being formulated for entertainment after each meeting.

Backward Glances

Beginning with this issue, the staff of the Northwest Missourian will run a series of articles concerned with traditions of the College and histories of organizations on the campus. These articles will be informative and nothing will be printed in them that is not verified.

The first history will be that of the College papers on this campus. The first school paper to appear here was called the Pragmatist. Little information is available about this first publication; but it existed for a short time only.

Back when the Northwest Missouri State Teachers College was known as a state normal school, a second paper appeared to succeed the Pragmatist. This one was called the Normal Index and its activities were directed by Mr. V. I. Moore.

Following that, Mr. George H. Colbert, of the Mathematics department, advised the staff until Miss Beatrice Winn began her term with the Index. Hershel Colbert, son of Mr. George H. Colbert, was the first editor of the Index.

On November 4, 1914, the first issue of the Green and White Courier, successor to the Normal Index, appeared on the campus. Mr. M. G. Neale served as adviser to the staff and Miss Myrtle McPherron edited this first edition.

Later, Miss Winn took charge of the faculty sponsorship, and she served until 1925 when Miss Mattie Dykes took over. In 1919, the Courier became a member of the Northwest Missouri Press Association and on October 29, 1924, it became a full sized, seven column, four page weekly.

In 1926, one year after Miss Dykes became faculty adviser, the paper gained its present name, the Northwest Missourian. The first editor of the Missourian was William Maple. Various members of the faculty have given valuable time and knowledge to the College paper since 1925, but ever since that time Miss Dykes has been with the paper, helping it to maintain a high standard in the field of journalism.

In the fall of 1946, Miss Violette Hunter of the English department became adviser to the staff and she is now serving in that capacity.

Home Economics Director Explains New Program

Miss Alta Motter, director of Home Economics Education in Missouri, and a member of the state Department of Education, visited Dr. Cozine's department Tuesday, September 30. She is visiting all the colleges and universities which train Home Economics teachers, to explain the new five year program and to see in what ways each may be improved, the state program as well as the college.

Miss Motter was interested in visiting the laboratory in the Horace Mann high school in order to see the vocational Home Economics program in progress there. The improvements in the department and changes in the curriculum, also in progress, were in harmony with the new plan.

Association President

MR. WILBER WILLIAMS

Mr. Wilber Williams, Skidmore, president of the Northwest Missouri Teachers Association, will preside at the opening session of the meeting Thursday morning. Mr. Williams is superintendent of schools at Skidmore.

New Barkatze Members Are Selected by Group

The Barkatze Pep organization recently elected to its membership twenty-two new members. They are Janet Andler, Mound City; Clyde Bowen, Ravenwood; Bill Elam, Maryville; Bill King, Kansas City; Homer Long, Graham; Jim Malson, Albany; Betty Jean Martin, Shenandoah; Bruce Mitchell, Sioux Falls, South Dakota; Maxine McDermott, Ridge-water, Iowa; Dick Palmer, Maryville; Jo Ann Peter, King City; Helen Richardson, Hatfield; Mary Lou Rockwell, Mound City; Charles Rupp, Henderson, Iowa; Wendell Spoor, Maryville; Helen Sutton, St. Joseph; Joyce Wehrli, Mound City; and Mary Lee White, Bethany.

The present membership includes Dick Appelman, Skidmore; Shirley Berger, Adel, Iowa; Mary Clarke, Cairo, Illinois; Phyllis Combs, Princeton; Gerald Cox, Westboro, Iowa; Lee Dreps, Aberdeen, South Dakota; Lois Gordon, St. Joseph; Dorothy Harshaw, Greenfield, Iowa; Charles Hincemy, Cameron; Harland Judd, Stanberry; Bob Miller, Bedford, Iowa; Joan Miller, Burlington Junction; Bradley Moore, St. Joseph; Meredee Myers, Ringstead, Iowa; Dick Owens, Bedford, Iowa; Thelma Oyler, Mound City; Eddie Reece, Clinton; Roberta Robertson, St. Joseph; Melville Strong, Maryville; Richard Thomas, Hemple; Manley Thomson, Agency; Margaret Wade, Gallatin, and Iris Wehrli, Mound City.

October 10, the new members will be entertained and initiated at a chili supper given by the old members.

Friday, October 3, Barkatze will accompany the team to Liberty for the game with William Jewell.

The officers of Barkatze are Dick Thomas, president; Meredee Myers, vice president; Roberta Robertson, secretary; Shirley Burger, treasurer; and Dick Appelman, stunt captain.

The sponsors of the organization are Miss Wincle Ann Carruth and Mr. Sterling Surrey.

Homecoming Plans Made by A. C. E.

Local Chapter Is Making Float and Preparing Festival Stunt.

One of the professional organizations on the College campus is best known by three letters of the alphabet—ACE.

ACE Means Association for Childhood Education, a national organization with a membership of 43,000 teachers, administrators, parents, students of education and community workers.

The purpose of this club is to work for the education and well being of children; to bring into active co-operation all groups interested in children in the home, the school, and community; to promote desirable educational programs and practices in the elementary school, including the nursery school, kindergarten, the primary and intermediate grades; and to raise the standard for professional training for teachers and leaders in this field.

Besides being an organization with an ideal purpose, ACE promotes many social activities for its members.

Parties of every degree of formality are held on the campus throughout the year. Some of the high points for social events every year is the formal Christmas Dinner at the country club, the Valentine party, and the May Morning Breakfast each spring.

This year ACE has already made Homecoming plans. Committees are already at work planning both the float and the stunt for stunt night.

The campus organization boasts sixteen old members and has prospects for twenty or more pledges. At the get acquainted party, September 20, six states—California, Washington, Texas, Illinois, Missouri, and Iowa—were represented.

Last year the ACE group resumed their prewar role and "hit the road," in the college bus. Approximately twenty students and teachers went to Oklahoma City to attend the National Convention of ACE. During the week they spent there the girls learned many new things concerning ACE. They attended lectures and dinners, conversed with educators, and visited some of Oklahoma's interest spots.

This year the National Convention is to be held at St. Louis, Missouri, from March 19 to March 23. The aim of the ACE members is to report 100 per cent to the convention.

The local chapter of ACE, sponsored by Miss Chloe Millikan meets every second and fourth Monday of the month. The meetings are held at 7:15 o'clock in the Horace Mann kindergarten. Anyone interested in childhood education should make plans to join the local chapter of ACE.

Students Operate Honeycomb Shop
Bud Basford and Raymond E. Basford opened the Honeycomb Shop, August 1. The shop is a ladies' ready-to-wear store. Both young men are students at the College. The boys report business good, and cater particularly to college misses.

U. S. fire losses in 1946 totalled \$4.01 per capita.

Bearcats Will Face Big Miner Eleven

First Conference Contest Will Test the Power Maryville Packs.

Friday, October 10, the Missouri Miners of Rolla, Missouri, will invade Maryville and attempt to stop the powerful Bearcat eleven. The Miners will be the Bearcats' first conference opponents this season and will provide an opportunity to judge the strength of the Maryville team in conference play.

Rolla has defeated Maryville only three times since Coach Miller took over the Bearcats squad in 1937. One of the Miner victories, a 26-0 affair, snapped a Maryville victory streak at twenty-one games.

In their first game this season the Miners suffered a 61-0 defeat at the hands of St. Louis University. The score is misleading, however, for the Miners got a late start and were playing out of their class. Coach Gale Bullman may be depended upon to field a strong squad which will be built around his twenty-two returning letter-men.

The hard-hitting Bearcat eleven, in their earlier games, revealed a few rough edges which they are smoothing off rapidly. They have been aided considerably by the expert coaching of Ivan Schottel, who played professional football last year with the Detroit Lions.

Probable starting line-ups are as follows:

Bearcats	Position	Miners
Kenneth Jones	LE	Leroy Markway
Floyd Kiang	LT	Neal Woods
Don Hartness	LG	Al Petaska
Bill Gamble	C	R. Stallman
Harold Johnson	RG	Bill Chew
Vernon Weidmaier	RT	Luther Steele
Stanley Totoraitis	RE	William Teale
Paul Gates	QB	Bob Kemper
Pat Zuchowski	LH	Paul Fullop
Norman James	RH	Earl Hoehn
Marvin Weed	FB	Jim McGrath

Health Department

The Health Office opened on September 1 with the beginning of football camp. That week was spent in giving physical examinations to the football squad. These examinations were given by Dr. W. R. Jackson and Anna Wormsley, R. N. Besides examinations the office was kept busy with treatment of blisters, aching muscles, and of all things, bee stings.

On Registration Day appointments were made with every student for his or her physical examination. These appointments extend throughout the fall quarter of school. Beginning with the fall quarter of classes every student enrolled is required to have a physical examination. For freshmen and new students this physical consists of the following:

- Height and Weight
- Blood Pressure
- Check of Heart and Lungs
- Check of Teeth and Throat
- Blood Test
- Urinalysis

Later, Vision Testing will be included.

For upperclassmen the physical consists of the following:

Know Your Team

Stanley Totoraitis

Stanley Totoraitis hails from the city of Detroit, Michigan. Stanley towers six feet tall and weighs 195 pounds. Totoraitis resides in Maryville. He graduated from high school in 1940. Totoraitis is twenty-four years old and plays end on the football team.

The flashy wingman from Michigan has been named on the all-conference team for two years and has been sought after by many of the teams in the Big Ten. Stanley, however, is not open for a transfer as he is in his last year of school and upon completion will enter his particular field of endeavor as a qualified coach.

Totoraitis is an excellent field judge as well as a pass qualifier. He is very cool and definitely qualified to lead the team. In the initial game of the 1946 season Totoraitis played a dazzling brand of ball and on one occasion raced seventy-five yards to play dirt with a broken kick and set up a Maryville touchdown. Needless to say, Stan is an outstanding defensive man. He plays a hard, alert game of football from the opening whistle to the final gun. He is fast, elusive, and very seldom does he let a pass fall to the sod. Stanley has been acclaimed as the best pass catching end in the conference time and again. Totoraitis should prove to be one of the brighter assets to the team as they continue their 1947 campaign.

Roger Wren

Roger Wren makes his home in Maryville as does Totoraitis. His home town, before entering Maryville, was Kansas City, Missouri. Wren graduated from high school in the year 1939. He is 26 years old and weighs 185 pounds. Wren is not so tall as some of the candidates for the team this fall but has the potential power of any six footer on the squad although he is but five feet eight.

Roger plays guard on the team this year and is showing great possibilities for the ensuing year. He is a very difficult man to take out of the play. He has the uncanny ability to break up play after play, a power possessed by very few linemen. Wren did not see action last year, being a student of a school that didn't play football. Wren, however, is back in shape and ready to go. He should make it rough for the man playing opposite him.

Playing for the Paseo High School in 1939 Roger established himself as a natural. He played a terrific game of ball for his team. He did not confine his athletic achievements to the gridiron alone but played basketball and other less notable sports. He is one of the better students in the college and is a fine example of a Maryville student.

Vernon Weidmaier

Vernon Weidmaier makes his home in St. Joseph, Missouri. He graduated from Pickett High School in the year 1942. Vernon is twenty-four years old. He is the heaviest man of the Bearcat line this year. He stands six feet tall and tips the scales at two hundred and twenty-five pounds which is a lot of weight to the boy that is trying to move his driving legs out of a play. Vernon hits with the sudden impact of a bull and is very fast. Weidmaier uses as his biggest asset the element of surprise. It is very seldom that the hard hitting tackle is taken out of the play without sending two or three of his opponents sprawling on the turf.

Last year Vernon played on the first eleven and starred for the Bearcats throughout the year. In several games he set the defense down without a yard through his tackle slot.

Although not getting the attention that some of the backfield men received, Vernon made possible the many touchdowns that Maryville won. He was a destructive weapon and a bone crushing tackle while defending Maryville. This year Vernon will be back in the tackle slot and should help the team considerably.

Random Shots . . .

The Bearcats showed some fine deception on their first touchdown against Ottawa University. Most of the fans on the sideline didn't know where the ball was until they spotted big Al Wormsley streaking into pay dirt with the pigskin tucked under his arm.

With the free substitution rule effective this year in college, the fans have to keep one eye on their programs and one eye on the playing field as the men run in and out of the game without having to report to an official. Coach Ryland Milner had Bob Boeh, freshman from St. Joseph, in and out of the game so often that Boeh was getting punchy; and, at one time, Bob took off for the field of combat without waiting for instructions from the head grid mentor and had to be called back.

Pat Zuchowski, playing his first game for the Bearcats, served notice on rival teams that he will be a man to watch. Zuchowski's first punt zoomed over the Ottawa's safety man's head and put the Braves in the hole at the start of the game. Later in the game he took a lateral from Gates and steamed 17 yards around end to hit the promised land standing up.

Stanley Totoraitis looked as potent in the Ottawa game as he has in the three years that he formerly played for the Bearcats. ALL CONFERENCE in 1942 and 1946, "Tut" is one of the finest players ever to wear the green and white. Tough luck girls, "Tut" is married and has a daughter almost two years old.

Some of the new freshmen are giving the older men a whole of a battle for positions this year. The more aged veterans are all for the younger boys though, as they realize these Bearcats will have to carry on alone next year.

Ralph Kurtright at 33 years of age is the veteran of the squad, as far as age goes, but Larry Zirbel, as far as years goes, is the Bearcat's outstanding extra point getter in 1938, 1939, and 1940, and is looking as deadly as ever at hitting the bull's eye with his educated toe. Zirbel, a 185 pound end from Algona, Wisconsin, is a Totoraitis understudy, being an excellent pass receiver and a heads-up defensive player.

Ken Jones, 6'1" freshman end from Atlantic, Iowa, showed promise

In the Ottawa University game, Jones, who played four years of high school football at fullback, played for the first time at the wing position. Several times he upset the Braves' interference on end sweeps and, at one time, caught one of their reverse plays flat footed and threw their ball carrier for a loss.

Paul Gates, Bearcat quarterback, broke away on the longest run of the Ottawa University game when he dashed 35 yards in the second quarter. Gates was knocked out of bounds by the only remaining enemy player on the 8 yard line.

Jack Slack, diminutive halfback from Rock Port, Missouri, was a busy Bearcat in the Ottawa game. Jack got in on almost every Bearcat defensive operation. At one time when the Braves were about to march, he intercepted one of their spot passes and kept the Bearcats out of the hole.

The Bearcat forward wall displayed some savage blocking in the first quarter of the Ottawa University game. Kiang, Johnson, Weidmaier, Totoraitis, Jones, Hartness and Gamble ripped gapping holes in the Indian line as the Bearcats marched 47 yards to score.

Rex Adams got off a nicely timed lateral pass to Paul Gates who in turn sprinted 33 yards for a touchdown against Omaha.

The Bearcats gained 296 yards from scrimmage in the Omaha game and flashed a powerful offensive attack at times, but bogged down on the Omaha 3 yard line in the second quarter and failed to score in four tries.

Gene Pemberton, speedy wingback, from Cameron, turned in his pads after the Omaha game so he could have more time to work after school hours. Gene's loss will be felt on the squad as he had shown some flashy running at times in the first two games.

Floyd Kiang, big aggressive tackle, has displayed some fine line play so far along with Vernon Weidmaier, 220 tackle from St. Joseph, who appears to be rounding out into his pre-war condition.

Marvin Weed, hard driving fullback from Orient, Iowa, has been a consistent ground-gainer for the Bearcats and also has thrown some fine blocks that helped pave the way to several touchdowns.

"M" Club Initiates Six New Lettermen

Maryville Business Men Print New Football Data for Fans.

Business men of Maryville, who have in the past given excellent support to the Bearcat football team, have responded again to aid this year's aggregation. Because of printing difficulties a program for the home games seemed impossible, but splendid cooperation by the business people has made one possible for the fans' benefit. Though not up to standard in regard to color of past programs, this year's is just as informative and just as necessary to the spectators, who wish to know names, numbers, and other data on the teams.

President Bruce Peters presided at meetings of the club the past two weeks, during which initiation proceedings were discussed. Alvin Wormsley, Bob Weston, Homer Long, Dick Appleman, Paul Waters, and Mark Christie are the new lettermen being initiated. These men were honored during the past track season.

Walkout Day, traditionally handled by members of the "M" Club, received attention at both of the meetings held recently. Secretary Jenny Wren was appointed to place the members for the proceedings of the day.

The club room at the gymnasium has received some repair and remodeling. During the summer months new furniture, coverings, rugs, and curtains have been installed in the room. A semblance to pre-war years is once again returning.

Plans have been started for a special program for the Homecoming Game on November 1. Sufficient pictures of the squad and individuals have been taken to insure a balanced program.

The "M" Club will have a breakfast for all homecoming lettermen on Saturday morning, November 1, as part of the Homecoming proceedings.

FOR THOSE WHO KNOW—IT'S THE GRANADA Fountain Service Jack and Martha

Education Commissioner

MR. HUBERT WHEELER, Jefferson City, State Commissioner of Education, will speak at the first general assembly of the teachers' meeting. The subject of his address will be "Our Educational Opportunities."

Bearcats Romp Over Omaha Indians, 26-0

Decisive Victory Gained Through Air Deception, Power, and Drive.

The Summary

Maryville	Omaha
First downs	12 7
Yds. gained from scrimmage	296 135
Yards lost rushing	10 31
Yards gained passing	62 64
Forward passes attempted	5 18
Passes incomplete	2 7
Passes intercepted	2 0
Rushback, intercepted passes	30 0
Average yards of punts	41.5 36
Yards punts returned	42 6
Puntbacks	55 16
Kick-offs (average yards)	45 0
No. of kick-offs	6 0
Fumbles	4 3
Fumbles recovered by	2 5

Number two was added as a win Friday night September 26, as the Bearcats dropped the Omaha University Indians, 26-0. The second game of the tough nine game schedule was a rough encounter, despite the one sided score.

Maryville touchdowns were scored by Paul Gates on a lateral pass play and on a pass, by Pat Zuchowski on a line buck, and by Stanley Totoraitis on a pass. Ralph Kurtright kicked two points after touchdowns by placement.

After losing the ball the first time they ran a play from scrimmage, the Bearcats came back strong to score on straight power plays. The "T" formation was working smoothly, and James, Zuchowski, Weed, and Wormsley ripped out long gains through the Omaha front line. Zuchowski scored on a smash off his own left guard from the three yard line.

After the ensuing kickoff, Maryville took Omaha's fourth down punt and from their own 48 yard line marched to a second first quarter score. Rex Adams broke through right guard for 10 yards; then just as he was tackled, lateraled to Gates, who sped down the sidelines for a score. The play was good for 42 yards.

During a scoreless second quarter Maryville drove to the Omaha two yard line, but lost the ball on downs. The only Indian threat was a completed pass to the Bearcats 25.

Omaha received to start the second half, but was forced to punt. On the third play from scrimmage Zuchowski passed to Gates for a 34 yard touchdown play. Maryville scored again a few minutes later when a concerted march paced by the driving play of Alvin Wormsley, Paul Butcherus, and Rex Adams placed the ball on the three. A short pass off the "T" to Totoraitis by Gates marked the fourth tally. Totoraitis shook off two pass defenders to take the ball all alone in the end zone. During this drive the Bearcat forward wall opened up huge holes for the backs to pour through. Harold Johnson, Floyd Kiang, Don Hartness, Bill Gamble, Vernon Weidmaier, Ken Jones, Totoraitis, and an array of fine substitutes blocked with mid-season form.

On "T" formation plays the hard driving line rolled the defense into

Cats Face Strong Miner Line Friday

Injuries Received in Last Week's Game Handicap Maryville Eleven.

The fact is the Bearcats held the Cardinals of William Jewell College to one minus yard from rushing in last Friday night's battle in the rain at Liberty. Although the 'Cats won only by one touchdown, 7-0, they rolled up 213 yards.

It was a 45-yard drive in the middle of the final period that ended up in the Bearcat score. Norman James, right half from Albany, swept around left end for eight yards on a T formation handoff from Paul Gates. Gates who had cut a deep gash in his right thumb, had played only briefly in the last half, relieving Bill Ward and Bill Coulter who had been in the slot.

Fullbacks Marvin Weed and Paul Butcherus took the brunt of the battle, along with the linemen who opened up holes for the backs to slide through, as they ran and plunged for the major share of the Bearcat yardage. Weed carried three times out of four in the first half on quick opening plays, and Butcherus did likewise in the second when Weed was hurt on a line play. At one time they each carried for a stretch of seven plays.

Weed suffered a shin bone injury and will not be in the best of shape for the Miners. One other Bearcat was injured. Howard Glavin, an end, suffered a broken finger.

The solid front wall of the Bearcats that held Jewell without a first down was anchored by Stanley Totoraitis and Ken Jones, with Glavin also figuring prominently in the end play. Vernon Weidmaier and Floyd Kiang filled the tackle slots, while Harold Johnson, Don Hartness, Pete Younger, Byron Baker and Dewey Drennen divided the guard chores.

Bill Gamble and Maury Geist backed up the line from the center slot, while Weed and Butcherus took care of the other side. Pat Zuchowski and Alvin Wormsley handled the tailback position.

Zuchowski kicked for an average of 37 yards, one punt rolling out of bounds 55 yards up field from the end zone, from where he had kicked after Jewell punted out of bounds on Maryville's 5 yard line.

James and Bob Boeh alternated at wingback with Rex Adams also seeing action along with Bruce Peters at that spot. Coulter and Ward handled the blocking back berth and Jack Slack flived in on defense.

The secondary, permitting the backs to break through and cut out for laterals. One such lateral, from Gates to Wormsley, was good for fifty-five yards, but was forward and was called back. On the play Wormsley shifted to a touchdown behind downfield blocking.

Bruce Peters, freshman speed merchant in 1941, displayed to careful observers that he is rounding into shape when he intercepted a pass and weaved, danced, and pivoted his way back 25 yards. Two effective blocks were thrown by Butcherus and Dewey Drennen which almost shook the elusive win back loose for a score.

The Bearcats didn't open up their passing attack, but did complete three for four, two being touchdown throws. Zuchowski, Wormsley, and Gates have not completed seven for eleven in the two games. With better competition that is certain to be met the indication that the Bearcats have a passing attack will make opponents wary.

The lineup:

Maryville	Positions	Omaha
Jones	LE	Shober
Kiang	LT	Leggio
Johnson	LG	Madelen
Gamble	C	R. Gorman
Hartness	RG	Jones
Weidmaier	RT	Hilvie
Totoraitis	RE	Strimling
Boeh	LB	Anderson
Slack	RB	Young
Gates	QB	Arenas
Weed	FB	Alboud
Substitutions: Omaha		Cantania
Green, Giller, Weeks, Komarek, Johnson, Haruff, Maselen, Cannia, Carrillo, Duffy, Cronin.		Maryville—Zuchowski, Freeman, Butcherus, Kurtright, Geist, Drennen, Hochmeyer, Wormsley, Ward, Baker, Cruz, Zerbel, Glavin, Adams, Snodgrass, Snyder, Wren, Auer, Peters, Scruby, Felt, Vannarswyk, Logan, Wohlford, Hellerich, Sweet, Godwin, Morell, Coulter, Smith.

DR. GILES THEILMANN, Assistant Principal and Director of Guidance of the Topeka, Kansas, Senior High School, will speak at the second general session of the teachers' meeting to be held at the College October 9-10. The subject of his speech will be "Some Practical Ways of Meeting the Imperative Needs of Youth in Secondary Schools." Mr. Theilmann has served in the education field since his graduation from Park College in 1927.

Senate Notes

(Continued from Page Two)

Spangles, and the payment of a past-due bill at the Music Shop were authorized.

The motion carried that the Senate recommend a separate bulletin board for faculty notices.

Permission granted Senator Davis to buy a treasurer's book.

The committee for freshmen initiation: Mary Garrett, Jean Polsey, and Roberta Robertson.

Motion passed that the meeting adjourn.

Meeting adjourned.

Marilyn Partridge Secretary

Bearcats Invade Rockhurst Lair

Rough Battle Expected From Traditionally Powerful Foes.

October 24, Coach Ryland Milner's Bearcats journey to Kansas City to engage the Rockhurst Hawks in what promises to be a wide open offensive and defensive battle. Last year the Bearcats took the Hawks into camp with a 14-7 victory and the Rockhurst club is pointing to revenge that defeat.

Hawk Coach Lew Lane has already twice suffered a defeat at the hands of M. I. A. A. teams this year. Springfield winning 20 to 0; Warrensburg, 6 to 3; and he has been stressing defensive and offensive line play as well as pass defense and offense in this week's scrimmages.

On their home grounds the Rockhurst College Hawks are always tough to beat, and they will be more determined now that this young ball club has some game experience under its belt.

The return of Alex DeMorea, a hard fighting end who has been sidelined with an injured foot has improved prospects for the Hawks. Paul Martel is another boy the Bearcats must watch for he is a strong runner and accurate passer.

This game should prove interesting for Buck Logan, Bearcat tackle, for before the war he lettered at that position while attending Rockhurst College.

The probable Hawk starting line-up is: Rex Urickson, left end; and Alex DeMorea right end; Dick Deltchman, at left tackle; while Dev Quirk or Chuck Carter are the favorites at the other tackle spot. Clarence Deltchman and Jack Flynn will hold down the guard positions and George Luechenoff the center.

The backfield will consist of Gene Hart or Bud Rafter at quarterback, Clint Webber left half, and Carl Walker at right half. Joe Crowe

DR. C. A. PHILLIPS, director of graduate students in Elementary Education at the University of Missouri, will speak at a departmental and a general session of the teachers' meeting, October 9. The subject of his first address will be "The School's Role in Synthesizing American Culture." His second subject will be "Can We Make Teaching a Profession in Missouri?" Dr. Phillips is a brother of Mr. Homer T. Phillips of the College

or Jack Sanderson will start at the full back spot.

The Bearcats' lineup will have Totoraitis and Jones at end; Weidmaier and Kiang at tackle; Johnson and Hartness at guard; Gamble at center; and Gates, Zuckowski, Weed, and James in the backfield.

Softball Chosen as Season Sport at W.A.A. Meeting

W. A. A. held their first regular meeting Wednesday, September 24. The girls voted and decided on softball in preference to hockey for this season's sport. Every girl who enjoys softball, regardless of ability, is invited to come out next Wednesday at 4:00.
